Professional Diploma in Occupational Safety and Health for Engineering [EG424722P]

Programme under Vplus Subsidy Scheme

Duration: 198 hours
(Can be completed within 10 - 12 months)

Programme Description

Safety and health in the workplace is of utmost importance. Occupational safety and health in industrial undertakings is achieved by employing a registered Safety Officer for workplace with 100 or more employees according to the Factories and Industrial Undertakings (Safety Officers and Safety Supervisors) Regulations.

The programme is designed to provide learners with professional knowledge and specific skills in occupational safety and health, and for those who intend to equip with a qualification as registered Safety Officers recognised by the Labour Department.

Course Fee

HK$21,780 **HK$8,712 (with Vplus Subsidy)**

With Vplus Engineering under the Vplus Subsidy Scheme, eligible students may apply up to 60% reimbursement of their tuition fee, totalling a maximum amount of $45,000. For details, please visit: https://vplus.vtc.edu.hk/eng

Programme Outline

This programme consists of six modules:

1. Safety and Health Legislation
2. Fundamentals of Occupational Hygiene
3. Safety and Health Management
4. Audit and Accident Investigation
5. Risk Assessment, Inspection and Integrity
6. Engineering Safety

Entry Requirements

1. Completion of a QF Level 3 programme, or equivalent, with one year's work experience or currently employed; or
