I wish to receive information from VTC (including course information from its member institutions): (Yes / No)*

I declare that the information provided in this form is, to my best knowledge, accurate and complete. I agree to abide by the rules and regulations of IVE if I am admitted to the course. I understand that the information provided in the form will be used by VTC in the admission process and course administration.	Signature: Date:
---	-------------------------

Notes

- Whether a course will be offered depends on the enrolment and is subject to approval by VTC.
- The applicant will be informed of the timetable one week before the commencement of class.
- To facilitate communication, the applicant should provide in the Application Form a contact number of mobile phone which can receive SMS messages.

Concrete Technology Course – Level II

(Course Code: 1274)

Member of VTC Group
VTC 機構成員

Aim

The course aimed to provide comprehensive training on properties of concrete including mix design, applications, testing and QA.

Indicative Course Contents

Concrete constituents and their effects in concrete properties

- Concrete mix proportioning
- Fresh concrete
- Hardened concrete
- Introduction to Special concretes & their Applications
- Testing of concrete
- Quality concepts
- Statistical techniques
- Standards, Specifications and Codes of Practice

Course Duration

- Theory + Practical (27 hrs.)
- Exam (4 hrs.)

Class Venue

- IVE(Tsing Yi) or other campuses of IVE

Awards

- Certificate will be granted to those who achieved 80% attendance and passed the assignment, practical and written tests.

Recognition

- Endorsed by Hong Kong Concrete Institute (HKCI)

Course Fee

- HK\$3,100

Entry Requirements

- 5 HKCEE at level 2 or above including English, Chinese and Mathematics; or equivalent; or
- Recommendation by company in relevant field.

Application Method

- Complete the application form with copies of education qualification or recommendation letter
- A crossed cheque (HK\$3,100) payable to Vocational Training Council for the Course Fee and submit to: Engineering Discipline In-service Training
HK Institute of Vocational Education (Tsing Yi)
B322, 20 Tsing Yi Road, Tsing Yi Island, N.T.,
- Refer to the application form for details on class schedule and application deadline.
