

# Professional Diploma in Gas Engineering [EG424720P]

Programme under Vplus Engineering

Duration: 240 hours  
(Can be completed within 12-15 months)

## Programme Highlights

- This programme is offered jointly with Towngas Engineering Academy to provide learners a specific training in Gas Engineering so as to acquire gas knowledge and technical expertise to become professionals in gas industry.
- The programme covers all-rounded aspects in Gas Engineering including production, transmission and distribution, and utilization of city gas etc.
- Learners have opportunities to attend workshops at the Towngas Engineering Academy and visit the environment-friendly operations of Towngas, including the largest landfill gas treatment and utilization projects in Asia.

## Programme Outline

- Gas Engineering Technology
- Gas Production System
- Gas Transmission and Distribution
- Gas Utilization and System Design
- Safety and Health
- Engineering Management
- Engineering Professionalism
- Energy and Environment

## Entry Requirements

- Five HKDSE subjects at Level 2 or above, including English and Chinese Languages, or equivalent, with one year's work experience; or
- Five HKCEE subjects at Grade E/Level 2 or above, including English and Chinese Languages, or equivalent, with two years' work experience; or
- Completion of a QF Level 3 programme, or equivalent, with one year's work experience or currently employed; or
- Relevant RPL qualification(s) at QF Level 3 or above.
- Mature applicants, i.e. those aged 21 or above with at least two years' relevant work experience, may also be accepted. Where appropriate, the applicant may be required to pass an entrance assessment, which can be in an oral and/or written form.

## Programme Fee

HK\$33,500

## Scholarship

A scholarship up to a maximum of 4 awardees with each HK\$15,000 is offered by Towngas for outstanding performance students in the 12-15 months curriculum.

## Financial Subsidy

This programme is under Vplus Engineering. Successful applicants will be refunded 60% of the tuition fees of eligible programmes, subject to a maximum of \$45,000 per person.
